Mandalay, Deep Love

now i can trust in you now as i feel at ease how lost in you should i be now i can see you clear as the day begins how lost in this should we be share and say you'll bring to me deep love you can't say that it's too soon to say how you feel share and say you'll bring to me deep love just don't say that it's too soon to say how you feel now as i touch you here as the day begins how lost in this should i be share and say you'll bring to me deep love you can't say that it's too soon to say how you feel share and say you'll bring to me deep love just don't say that it's too soon to say how you feel share and say you'll bring to me deep love you can't say that it's too soon to say how you feel share and say you'll bring to me deep love just don't say that it's too soon to say how you feel share and say you'll bring to me deep love you can't say that it's too soon to say how you feel share and say you'll bring to me deep love just don't say that it's too soon to say how you feel
