

Mandalay, Don't Invent Me

I won't know another
'Til i know
I won't know another
'Til i know
Even though I keep on telling you
But still oh no no
I won't know another 'till i know
Here
Only love
Don't invent me
'Till you need me
Will i fall in now
Only love
Don't invent me
'Till you need me
I won't love another
'Till I learn
I won't love another
'Till I learn
Even though I keep on telling you
But still oh no no
I won't love another till i learn
Here
Only love
Don't invent me
'Till you need me
I fall in now
Only love
Don't invent me
'Till you need me
