

# Mandalay, Don't Invent Me

I won't know another  
'Til i know  
I won't know another  
'Til i know  
Even though I keep on telling you  
But still oh no no  
I won't know another 'till i know  
Here  
Only love  
Don't invent me  
'Till you need me  
Will i fall in now  
Only love  
Don't invent me  
'Till you need me  
I won't love another  
'Till I learn  
I won't love another  
'Till I learn  
Even though I keep on telling you  
But still oh no no  
I won't love another till i learn  
Here  
Only love  
Don't invent me  
'Till you need me  
I fall in now  
Only love  
Don't invent me  
'Till you need me
