

# Mandalay, It's Enough Now

You know  
You know  
There's still a sense I  
Have you've stolen these days  
All your love is here  
If love is given in to  
Hope you're fooling yourself  
It's as if you knew knew knew all along  
It's enough now  
It's your loss now  
It's just that I'm low  
It's enough now  
It's your loss now  
It's just I don't know  
You know  
You steal the sunlight  
How you steal your own scene still  
Oh no no you're reasonable  
If hope is given in to  
How we need to be now  
It's as if you knew  
You knew all along  
It's enough now  
It's your loss now  
It's just that I'm low  
It's enough now  
It's your loss now  
It's just I don't know
