

# Mandy Barnett, Funny, Familiar, Forgotten Feelin

And then those funny, familiar, forgotten feelings  
Started walking all over my mind

Last night, quietly, you walked through my mind  
As I lay searching for sleep  
Your hand reached out, you whispered my name  
As you brushed a tear from my cheek  
And then those funny, familiar, forgotten feelings  
Started walking all over my mind

Well now I must go on, be strong  
Though a million teardrops may fall  
For those funny, familiar, forgotten feelings  
Started walking all over my mind
