Mandy Moore, Breaking Up In Two

Breaking Us In Two Lyrics

Don't you feel like trying something new Don't you feel like breaking out or breaking us in two You don't do the things that I do You want to do the things I can't do Always something breaking us in two

You and I could never live alone
But don't you feel like breaking out
Just one day on your own
Why does what I'm saying hurt you
I didn't say that we were through
Always something breaking us in two

They say two hearts should beat as one for us We'll fight it out to see it through I say that you won't be too much fun for us Though it's oh so nice to get advice it's oh so hard to do

Could we be much closer if we tried We could stay at home and stare into each other's eyes Maybe we could last an hour Maybe then we'd see right through Always something breaking us in two
