

# Mandy Moore, In My Pocket

Among the many muted faces  
You try to find me in the spaces  
You're drawn to my song  
You only move to keep from sinking  
You close your eyes as if you're thinking  
Afraid all along  
That in my eyes you're so revealing  
you'll find what you're needing

[Chorus]  
Nothing but pennies in my pocket  
Nothing but faith to keep me warm  
Well, baby, then I would be broke without it  
Tell me, how much for your love  
Slip my heart in your back pocket  
All I got to keep you warm  
So baby don't leave me here without it  
Tell me, how much for your love

Hoping the melody will leave you  
You walk to where I might not see you  
Reach out to the wind  
Looking to catch it for a minute  
But just to hold it not be in it  
I've been where you've been  
Cause somehow I'm so afraid the love  
Will reveal what you're made of

Nothing but pennies in my pocket  
Nothing but faith to keep me warm  
Well, baby, then I would be broke without it  
Tell me, how much for your love  
Slip my heart in your back pocket  
All I got to keep you warm  
So baby don't leave me here without it  
Tell me, how much for your love

Cause somehow I'm so afraid the love will reveal what you're made of

[repeat chorus until fade]
