

# Mandy Moore, Love You For Always

One, two, three, four  
One, two, three, four  
Boy I want to be where you are  
Don't matter if you're near or you're far  
You fill up my heart all the way to the top  
And it's you I'm loving for always  
Catch me, I'm a shooting star  
Make a wish, close your eyes, cross your heart  
Your love is so rare  
And I'm glad that you're here in my arms  
I'll love you for always  
Dreaming of you tonight  
Praying that you will be mine  
Hoping you'll be holding me tight  
Never ever letting me go  
I need you to know  
You came into my life  
Made everything go right  
So sweet and tenderly  
Unlock my love, you've got the key  
Ooh, I'm so satisfied  
This kind of love I just can't hide  
I'm gonna love you for always  
I'm gonna love you  
Love you darling, love you darling, love you  
Took my heart for a carousel ride  
Made me feel brand new inside  
When I'm with you  
All that I seem to do is smile  
Boy, I'm floating on a cloud  
Wanna scream and shout it out loud  
I found amazing grace in your eyes and your face  
I'm in love with you for always  
Dreaming of you tonight  
Praying that you will be mine  
Hoping you'll be holding me tight  
Never ever letting me go  
I need you to know  
You came into my life  
Made everything go right  
So sweet and tenderly  
Unlock my love, you've got the key  
Ooh, I'm so satisfied  
This kind of love I just can't hide  
I'm gonna love you for always  
I'm gonna love you for always  
I'm gonna love you for always it's true  
I'm gonna love you for always  
I'm gonna love you for always  
For always
