

# Mandy Moore, The Way To My Heart

You're the one  
You set me free  
When you're close to me  
All that I do  
Is think about a way  
To make you stay  
With me  
Baby I'm falling apart  
'Cause you know the way to my heart

Oh baby  
I knew it  
The moment you looked in my eyes  
My life was in your hands  
You changed me  
Complete  
Now you say you want to let go  
Of the love we had  
I just don't want to lose you again  
Baby I want you to know (know that)

You're the one  
You set me free  
When you're close to me  
All that I do  
Is think about a way  
To make you stay  
With me  
Baby I'm falling apart  
'Cause you know the way to my heart

Oh baby  
If only  
You could see the way that I feel  
About you  
'Cause I need you  
Beside me  
Is there anything I can say  
Before you walk away?  
I just don't want to lose you again  
Baby I want you to know (know that)

You're the one  
You set me free  
When you're close to me  
All that I do  
Is think about a way  
To make you stay  
With me  
Baby I'm falling apart  
'Cause you know the way to my heart

What am I gonna do  
No I just cannot live  
I can't breathe without (without you)  
I want you back in my life  
And I wanna set things right  
You know the way to my heart  
Baby

You're the one  
You set me free  
When you're close to me  
All that I do

Is think about a way  
To make you stay  
With me  
You know the way to my heart

You're the one  
You set my free  
When you're close to me  
All that I do  
Is think about a way  
To make you stay  
With me  
Baby I'm falling apart  
You know the way to my heart
