

# Mandy Moore, Walk Me Home

Baby would you walk me home  
I don't want to go all the way alone  
Baby would you walk with me home  
Baby would you take my hand  
Come with me now to our special land,  
Baby would you walk with me home  
It's three a.m. and you're on my mind once again  
I must have been dreaming  
I thought I felt your heartbeat just then  
Then I wondered how it would be  
if I was your lady and you were my friend  
I would put my heart in your hands  
And it would never end  
Baby would you walk me home  
I don't want to go all the way alone  
Baby would you walk with me home  
Baby would you take my hand  
Come with me now to our special land,  
Baby would you walk with me home  
I hold your picture next to my heart all the time  
Oh yeah baby  
You're my dream come true so glad you're mine  
Then I wondered how it would be  
if I was your lady and you were my friend  
I would put my heart in your hands  
And it would never end  
Baby would you walk me home  
I don't want to go all the way alone  
Baby would you walk with me home  
Baby would you take my hand  
Come with me now to our special land,  
Baby would you walk with me home  
Every day and night I want to hold you  
Understand that I am going to love you  
In my own special way  
Baby would you walk me home  
I don't want to go all the way alone  
Baby would you walk with me home  
Baby would you take my hand  
Come with me now to our special land,  
Baby would you walk with me home
