

# Manfred Mann, Billies Orno Bounce (Including Bil

You know it's hard to fall out of love with you  
'cos you do feel the blue  
With everything I wanted you to  
I never felt so good about loving you  
You were the one to take me up  
I hope you never stop  
Doing the things you do  
Billy's Bounce

You know it's hard to fall out of love with you  
'cos you do feel the blue  
With everything I wanted you to  
I never felt so good about loving you  
You were the one to take me up  
I hope you never stop  
Doing the things you do
