## Manfred Mann, Fat Nelly

Fat Nelly was killed with a butcher's knife Nobody laughed, nobody cried And her blood ran red all over my life Nobody laughed, nobody cried

A street screamed rape by a garden gate Nobody laughed, nobody cried But the hinges were oiled the police came late Nobody laughed, nobody cried

Fat Nelly was killed with a butcher's knife Nobody laughed, nobody cried And her blood ran red all over my life Nobody laughed, nobody cried

A street screamed rape by a garden gate Nobody laughed, nobody cried But the hinges were oiled the police came late Nobody laughed, nobody cried
