

Manfred Mann, Redemption Song (No Kwazulu) (

(No Kwazulu, No Kwazulu)

(No Boputatswana)

(No Lebowa). Repeat

Emancipate yourselves from mental slavery

None but ourselves can free our minds

Have no fear for atomic energy

For none of them can stop the time

How long shell they kill our prophets

While we stand aside and look

Some say it's just a part of it

We've got to fulfill the book

CHORUS

So won't you help to sing (No Kwazulu)

These songs of freedom (No boputatswana)

'Cause all I ever hear (No Transkei)

Is Redemption Song

Soldiers march their freedom

Out into the city streets

And though it seems like a losing battle

These can be no retreat

CHORUS
