

# Manfred Mann's Earth Band, Buddah

Saw Buddah walking down the street  
I said, &quot;Hey man, I never thought we'd meet&quot;  
Looked at me and he did a dance  
He said, &quot;Hey son, you gotta take your chance&quot;

Saw Jesus in '65  
Said, &quot;Hey son, you're still alive&quot;  
He was standing in a riot zone  
Said, &quot;Hey man, why don't you go home?&quot;  
He said, &quot;I never was, never will be  
What you gotta do is carry on and forget about me&quot;

Saw Moses in a Cadillac  
Said, &quot;Hey man, why did you come back?&quot;  
He looked at me and he did a dance  
Said, &quot;Hey man, you gotta take your chance&quot;

Saw the saviour standing on the stage  
He looked at me, I was in a rage  
Looked my way and he said to me  
&quot;You gotta carry on and forget about me  
'Cause I never was, never will be  
What you gotta do is carry on and forget about me&quot;
