

Manfred Mann's Earth Band, Captain Bobby Stout

Brother why are you here?
Brother why are you here?
Captain Bobby Stout done found me out
Now I owe that man one more year
Yes I owe that man one more year

Brother why are you here?
Brother why are you here?
Captain Bobby Stout done found me out
Now I owe that man one more year
I owe that man one more year

First came down to Wichita Town
Pocket full of Mexican smoke
I sold it to a man I did not know
Cos I was hungry and I was broke

Brother why are you here?
Brother why are you here?
Captain Bobby Stout done found me out
Now I owe that man one more year
Yes I owe that man one more year

My mother she stays in Chicago
My poppa stays down in the ground
My baby did go to San Francisco
When the judge laid his gavel down

Brother why are you here?
Brother why are you here?
Captain Bobby Stout done found me out
Now I owe that man one more year
Yes I owe that man one more year

My brother came down to Wichita Town
Tried to set me free
Captain Bobby Stout done found me out
Now my brother stays here with me (?)

Brother why are you here?
Brother why are you here?
Captain Bobby Stout done found me out
Now I owe that man one more year
Yes I owe that man one more year

Brother why are you here?
Brother why are you here?
Captain Bobby Stout done found me out
Now I owe that man one more year
Yes I owe that man one more year
