

# Manfred Mann's Earth Band, Geronimo's Cadillac

They put Geronimo in jail down South  
Where he couldn't look a gift horse in a mouth  
Sergeant, Sergeant don't you feel  
There's something wrong with your automobile  
Warden, Warden, listen to me  
Be brave and set Geronimo free  
Governor, Governor, 'aint it strange  
You never see a car on the Indian range

Oh boys take me back  
I wanna ride in Geronimo's Cadillac  
Oh boys I wanna see it for real  
I wanna ride in Geronimo's automobile  
Take me, take me, take me back  
I wanna ride in Geronimo's Cadillac

Warden, Warden, don't you know  
The prisoners 'aint got no place to go  
It took ol'Geronimo by storm  
They took the badges from his uniform  
Jesus told me and I believe it's true  
The redmen are in the sunset too  
They stole their land and they won't give it back  
And they sent Geronimo a Cadillac

Oh boys take me back  
I wanna ride in Geronimo's Cadillac  
Oh boys I wanna see it for real  
I wanna ride in Geronimo's automobile  
Take me, take me, take me back  
I wanna ride in Geronimo's Cadillac
