

Manfred Mann's Earth Band, Living Without You

The milk truck hauls the sun up
The paper hits the door
The subway shakes my floor
And I think about you
Time to face the dawning grey
Of another lonely day
It's so hard living without you

It's so hard, it's so hard
It's so hard living without you
It's so hard, it's so hard
It's so hard living without you

Everyone's got something
They're out tryin' to get some more
They got something to get up for
Well, I ain't about to
Nothing's gonna happen
Nothing's gonna change
It's so hard living without you

It's so hard, it's so hard
It's so hard living without you
It's so hard, it's so hard
It's so hard living without you
