

# Manfred Mann's Earth Band, Pleasure And Pain

Lover, lover, why do you push  
Why do you push, why do you push  
Babe, Babe, did you forget about me  
'cause I've been standing at the back of your life  
Back row centre, just above the ice  
Please don't ask me how I've been getting off  
It's a fine line between pleasure and pain  
You've done it once and you can do it again  
Whatever you've done, don't try to explain  
Its a fine, fine line between pleasure and pain  
Sooner or later you'll find your place  
Find your body and you'll find your grace  
I won't ask you how you've been getting off  
No, I won't ask you how you've been getting off  
It's a fine line between pleasure and pain  
You've done it once and you can do it again  
Whatever you've done, don't try to explain  
Its a fine, fine line between pleasure and pain  
Lover, lover, why do you push  
Why do you push, why do you push  
Babe, Babe, did you forget about me  
'cause I've been standing at the back of your life  
Back row centre, just above the ice  
Please don't ask me how I've been getting off  
Please don't ask me how I've been getting off  
It's a fine line between pleasure and pain  
You've done it once and you can do it again  
Whatever you've done, don't try to explain  
Its a fine, fine line between pleasure and pain
