

Manfred Mann's Earth Band, Rescue

I shall be rescued someday
So many empty days
And nobody told me
Need to be rescued today
It's been a thinking day
And I haven't done badly

Haven't done badly how slow some days can go
Think I've been dreaming of some people I don't even know

Someday I'm sure to see the sun
And when my time has come
I'll think of you always

I've seen your face through the tears
I'm gonna try for you
But nobody told me

Nobody told me how slow some days can go
Think I've been dreaming of some people I don't even know
