

Manfred Mann's Earth Band, The Complete History

I'm jealous of the people, the people
I fall in love with, fall in love with
I'm jealous of the people, the people
I try to be more like, try to be more like
I'm even jealous of the people who hate me
Hate me more

The complete history of sexual jealousy part 17 to 24

I'm jealous of the man, the man
You broke the heart of, broke the heart of
I'm jealous of the man you knew before
In a life that I could never be the part of
There's more than meets the eye
In a way a stranger meets your eye
I know there's more
