

# Manfred Mann, Solar Fire

See the morning dancer, crossing the sky,  
Turning gold to amber travelling by  
He must know the answer  
He must know why.  
Looking for an answer look to the sky.

Shadows getting shorter filling your sight  
Brightly burning starfire, life giving light  
Dawning into morning  
Day into night  
Looking for an answer, look to the light

Sunlight streaming burn through the night  
First light stealing shine solar fire.

Starting from tomorrow look to the sky  
There's a new day dawning passing you by  
Follow on life's dancer and than you'll know why  
Looking for an answer look to the sky.

Sunlight etc.
