

Manfred Mann, We're Going Wrong

Please open your mind
Try to realise, I found out today
We're going wrong, we're going wrong

Please open your eyes
See what you can find, I found out today
We're going wrong, we're going wrong
Please open your mind
Try to realise, I found out today
We're going wrong,
We're going wrong

Please open your eyes
See what you can find, I found out today
We're going wrong,
We're going wrong,
We're going wrong
