

# Manhattan Transfer, So you say

So you say  
It's a feeling I'll get over someday  
So you say  
So you say  
I should try  
Just to let the flame inside me die  
I should try  
So you say  
Against the wind  
With my face turned to the empty side  
Of loneliness  
Midnight black and blue  
So you say  
That the world will keep on turning  
So you say  
So you say  
Tell me why  
All the stars have lost their mystery now  
Tell me why  
Tell me how  
Where love has been  
The taste of wine  
Seems to linger on like distant perfume  
And all of the memories  
Carelessly left behind  
Ghosts and lies  
They haunt me wherever I go  
So you say  
That the pain of love will pass away  
So you say  
So you say  
Before goodbye  
I look for the fire behind your eyes  
But they're cold as ice  
I hear in your voice  
The echo of love that's gone by  
Now I cry  
I'll love you for all of my life  
So you say  
It's a feeling I'll get over someday  
So you say  
So you say
