

Manhattan Transfer, Walkin' In N.Y.

You don't skip a beat when you're hittin the street

(Walkin in N.Y.)

There's a kind of heart you became a part of

(Walkin in N.Y.)

Doo doo doo doot ee ya-ee-yeh-oh

(Walkin in N.Y.)

Me 'n my friend just walkin' and talkin

(Walkin in N.Y.)

There are times that will always stay

Somewhere in my thoughts

One of them will always be

Walkin in N.Y.

All you need is one good friend

And some time to spare

Stoppin' for coffee in some cafe

Life without a care

You don't skip a beat when you're hittin the street

(Walkin in N.Y.)

There's a kind of heart you became a part of

(Walkin in N.Y.)

Doo doo doo doot ee ya-ee-yeh-oh

(Walkin in N.Y.)

Me 'n my friend just walkin' and talkin

(Walkin in N.Y.)
