Then work came and made us free
What price now for a shallow piece of dignity
I wish I had a bottle
Right here in my dirty face to wear the scars
To show from where I came

And we are not allowed to spend
As we are told that this is the end
A design for life
A design for life
A design for life

Right here in my pretty face to wear the scars
To show from where I came
We don't talk about love we only want to get drunk
And we are not allowed to spend
As we are told that this is the end
A design for life
A design for life
A design for life
A design for life
We don't talk about love we only want to get drunk
And we are not allowed to spend
As we are told that this is the end
A design for life
A design for life
A design for life
A design for...
