

# Manic Street Preachers, Jackie Collins Existential

Tonight we beg, tonight we beg the question  
If a married man, if a married man fucks a Catholic  
And his wife dies without knowing  
Does that make him unfaithful, Revol?  
Oh mummy what's a Sex Pistol?  
Oh mummy what's a Sex Pistol?  
Oh mummy what's a Sex Pistol?  
Oh mummy what's a Sex Pistol?  
Tonight we beg, tonight we beg the question  
If a married man, if a married man fucks a Catholic  
Does that mean you have gone to seed?  
Or does that mean you owe him nothing?  
Oh mummy what's a Sex Pistol?  
Oh mummy what's a Sex Pistol?  
Oh mummy what's a Sex Pistol?  
Oh mummy what's a Sex Pistol?  
A situationist sisterhood of Jackie and Joan  
Separates us the questions without a home
