Manic Street Preachers, Theme From M.A.S.H. (

Through early morning fog I see Visions of the things to be The pains that are withheld for me I realize and I can see That suicide is painless It brings on many changes I can take or leave it if I please

i try to find a way to make all our little joys relate without that ever present hate but now i know that it's too late

That suicide is painless
It brings on many changes
I can take or leave it if I please
That game of life is hard to play
I'm gonna lose it anyway
The losing card of some delay
So this is all I have to say
That suicide is painless

It brings on many changes I can take or leave it if I please The sword of time will pierce our skin It doesn't hurt when it begins But as it works its way on in The pain grows stronger, watch it burn That suicide is painless It brings on many changes And I can take or leave it if I please A brave man once requested me To answer questions that are key Is it to be or not to be And I replied oh why ask me That suicide is painless It brings on many changes And I can take or leave it if I... That suicide is painless It brings on many changes I can take or leave it if I please That suicide is painless It brings on many changes And you can do the same thing if you please
