

# Manowar, Blood Of The Kings

(Joey DeMaio)

Brothers the battle is raging  
Choose your side  
Sing with us the Battle Hymns  
Into Glory Ride  
Hail to England  
The sign of the hammer's our guide  
Forever we're Fighting the World  
Side by side

On a crusade  
The world we bring  
Four Kings of Metal  
Four Metal Kings  
Death to the false ones  
Dance on a string  
'Til the blood on your sword is the blood of a king  
'Til the blood on your hand is the blood of a king

Our armies in England, Scotland and Wales  
Our brothers in Belgium, Holland and France  
Will not fail  
Denmark, Sweden, Norway, Finland, Italy  
Switzerland, Austria  
Back to the Glory of Germany

On a crusade  
The world we bring  
Four Kings of Metal  
Four Metal Kings  
Death to the false ones  
Dance on a string  
'Til the blood on your sword is the blood of a king  
'Til the blood on your hand is the blood of a king

Sound the Death Tone  
On our March for Revenge  
Spill the Blood of my Enemies  
The Oath of a Friend  
Fight the Holy War for The Crown and the Ring  
Six magic circles made by the Blood of the Kings

Wherever we ride it's metal we bring  
Four Kings of Metal  
Four Metal Kings  
Death to the false ones  
Dance on a string  
'Til the blood on your sword is the blood of a king  
'Til the blood on your hand is the blood of a king  
Blood of a king.
