

Manowar, Metal Daze

(J. DeMaio)

I hear the sound
In a metal way
I feel the power
Rolling on the stage
'Cause only one thing
Really sets me free
Heavy metal
Loud as it can be

Baby I was born to play music
I am a man with a screaming guitar
There's a light in a middle of the stage
In a minute I'll be wearing it all
I don't know another way of living
Baby I don't really care
Give me a pair of chains, aim the whiplash at me
The girls I'd love to share

[Chorus:]
Heavy metal, metal daze
Heavy metal, heavy metal daze
Heavy metal, heavy metal daze

Living like there's no tomorrow
Yeah, I could resist we're all on the edge
This is: Man you really graft it
This band: A social waste
Well, we all got arms made of metal
And our glories are no deblock
And if I don't hear the sound of metal
I go into shock !

[Chorus:]
Heavy metal, metal daze
Heavy metal, heavy metal daze
Heavy metal, heavy metal daze
Heavy metal, heavy metal daze
Heavy metal

So mister D. J.
Play just one for me
You know the one
With the crushin' and the screams
'Cause only one thing
Really sets me free
Heavy metal
Loud as it can be

[Chorus:]
Heavy metal, metal daze
Heavy metal, heavy metal daze
Heavy metal, heavy metal daze
heavy metal, heavy metal daze
Heavy metal
Loud as it can be
