

Manowar, Metal Warriors

Every one of us has heard the call
Brothers of True Metal proud and standing tall
We know the power within us has brought us to this hall
there's magic in the metal there's magic is us all
Heavy metal or no metal at all whimps and posers leave the hall
Heavy metal or no metal at all whimps and posers go on get out
Leave the hall
Now the world must listen to our decree
We don't turn down for anyone we do just what we please
got to make it louder, all men play on ten
If you're not into metal, you are not my friend
Heavy metal or no metal at all whimps and posers leave the hall
Heavy metal or no metal at all whimps and posers I said
Leave the hall
Now the world must listen to our decree
We don't turn down for anyone we do just what we please
Got to make it louder, all men play on ten
If you're not into metal, you are not my friend
There's metal in the air tonite, can you hear it call
If you ain't got the balls, to take it you can
Leave the hall
Heavy metal or no metal at all whimps and posers leave the hall
Heavy metal or no metal at all whimps and posers leave the hall
