

# Mans Zelmerlow, Fuego

i take a dive into my eyes  
you got the eyes of lioness  
feel the power, they ain't lying  
a little look, a little touch  
you know the power of silence  
keep it up /2x

I was looking for some highs  
till I got a dose of you  
you got feeling I could I fly

cause I'm way up and ain't comin' down  
keep taking me higher  
and I am burning up and I ain't coolin' down  
I've got the fire  
Fuego!

take me in  
take a breath  
ain't no hidden agenda  
what you see is what you get

I was looking for ssome highs  
till I got a does of you  
you get feeling I could fly

cause I'm way up and ain't comin' down  
keep taking me higher  
and I am burning up and I ain't coolin' down  
I've got the fire  
Fuego!

your love is like wildfire  
you got feeling I could fly

cause I'm way up and ain't comin' down  
keep taking me higher  
and I am burning up and I ain't coolin' down  
I've got the fire  
Fuego!
