

Mans Zelmerlow, STIR IT UP

Don't wanna lie awake through the night
Wondering what the hell I didn't do
Don't wanna lie awake through the night

Don't wanna wake up when I'm 65
With so much I never followed through
No point in living if you're not alive

Faces in places I never thought I'd ever see
Choices are not shields free, somebody told me

Stir it up, lay it down
Show the world you're new in town
Stir it up, don't wait around, oh oh

Stir it up, lay it down
Play your cards and lay 'em out
Stir it up, don't wait around, oh oh

I keep on living for another day
Chase tomorrow, not my history
Couldn't imagine any other way

Faces in places I never thought I'd ever see
The pieces of what I'll be, somebody told me

Stir it up, lay it down
Show the world you're new in town
Stir it up, don't wait around, oh oh

Stir it up, lay it down
Play your cards and lay 'em out
Stir it up, don't wait around, oh oh

To let up, to fly
Don't be scared to try and leave the ground
The greatest of plans
Are the ones you don't draft, they're never planned
Somebody told me

Stir it up, lay it down
Show the world you're new in town
Stir it up, don't wait around, oh oh

Stir it up, lay it down
Play your cards and lay 'em out
Stir it up, don't wait around, oh oh

Stir it up, lay it down
Play your cards and lay 'em out
Stir it up, don't wait around, oh oh
