

Mans Zelmerlow, Walk With Me x Ola Kędra

Sick of sleeping with the light on
Chasing shadows with the brokenhearted
Running out of fools to hide from
But you always see the truth

Yours is the hand that I hold
You're all I need

Ooh, walk with me
I'm a million miles away from who I wanna be
Don't give up on me
I know I've made mistakes, just promise that you'll stay
Walk with me
And tell me that I'm never alone, never alone
Tell me, 'cause I'm tired of walking alone

And even though the road is so long
I know you'll take me back to where it started
It seems as though I only go wrong
But you always see the truth

Yours is the hand that I hold (Mmm)
You're all I need

Ooh, walk with me
I'm a million miles away from who I wanna be
Don't give up on me (Don't give up on me)
I know I've made mistakes, just promise that you'll stay
Walk with me
And tell me that I'm never alone, never alone
Tell me, 'cause I'm tired of walking alone

Ooh, I will never break the storm without you
I will never ever face this world alone
You're the only one that keeps me grounded
Promise me you'll never let me walk alone, alone

Ooh, walk with me
I'm a million miles away from who I wanna be
Don't give up on me
I know I've made mistakes, just promise that you'll stay
Walk with me
And tell me that I'm never alone (I'm never alone), never alone
Tell me (Tell me, tell me), 'cause I'm tired of walking alone
