

Manu Chao, Welcome To Tijuana

So many nites
With your shadow in my bed.
So many nites
Baby you whisper in my head.
So many nites
Sing along the Merry Blues.
So many nites
I told you once.
I told you twice.
The Merry blues
The Merry blues
I can not sleep
Haunted by your pretty body
I can not sleep
I want the world set on fire
So many nites
Cant keep from goin down loose...
I told you once.
I told you twice.
The Merry blues
The Merry blues
Hello nadina do you do do do do do
I feel so happy when I see see see see you
You make me sing a like a douba doubad
I know you like it like a zombou zombou
Hello nadina do you do do do do do
I feel the moody like to picky picky you
I know you like it like a rub a dub stylee
I know you like a marijuana smokey
So many nites
Sing along the Merry Blues.
So many nites
Cant keep from goin' down loose.
The Merry Blues
