

# Manuel Ortega, Say A Word

I can be the sunshine today  
I'll be there to help you go on your way  
I can be the sweet moonlight  
I'll be there to guide you through the night  
I can keep you warm, in the rain  
I'll be there to make you so happy again  
There's no broken heart I can't mend  
It is really easy and you will understand

Chorus:

Say a word and I'll be there  
Say a word and I'll be there  
Say a word and I'll be there  
Say a word and I will care  
Say a word and I'll be there  
Say a word and I'll be there  
Say a word and I'll be there  
Say a word and I will care  
If you're feeling lost and alone  
I'll be there to help you carry on  
If you're feeling blue and you need a friend  
I'll be there to give you a helping hand  
If you feel like losing your pride  
I'll be there to give you a place you can hide  
If you feel that life just goes wrong  
I'll be there if you need someone to lean on

Chorus

Life will be better  
So open up your eyes now  
Life will be better  
We can stand together as one  
Life will be better  
Together we can change a whole world  
Life will be better
