

# Manzini, The balloon song

Ladies and Gentlemen

Welcome to the Manzini Show

We're about to have some fun

Now kids, don't try this at home

I don't wanna be broke but

Bill Gates got a whole lot of dough what

I dont know him So it dont even matter

But maybe i could pass for his long lost brother

Nah, so what can I do

I Got a ski mask, got a black track suit

Got a water gun, paint that black tooth

Then I need the loot, Im robbing the bank for you

I am not full of hot air

This is just the way I am (uh huh)

But girl you blew me up back then

You're getting to my head (his head)

If I had all the money in the world

I would like to spend it (on who), on you

If I had on the money in the world

Spend it on you girl (uh huh, uh huh)

I have balloons (balloons), Balloons (balloons)

Throw a big party for you

I have balloons (balloons), balloons (balloons)

And They'll be all here for you (come on now)

Now back to the storya

Hit the bank in this mass hysteria

I said everybody don't make a sound

But when I looked around they were already on the ground

What in the hell is really going on now

I saw a guy in the vault taking money out

He said excuse me now what are you doing

with my Water gun pointed i said i aint scared to use this

He said sorry guy you're a little too late

This is my store, you gotta find a new bank

Plus I'm not doing this all for me

Im in love with a girl, gotta picture wanna see?

I'm not full of hot air

Cant believe she was a scam

This girl she flew me up

Gave me the same picture I have (damn thats the same girl)

If I had all the money in the world

I would like to spend it (on who), on you

If I had on the money in the world

Spend it on you girl (manzini)
