Marble Sounds, Leave A Light On

Sure I can leave a light on Let it shine on Leave it till dawn Sure I can leave a light on Leave a light on for you

It takes two to find a way out There is no doubt I will be around If you have lost the right track Then I'll lead you right back

Don't search to find Don't smile just to be nice Don't run just to get there on time

Be amazed Simply blown away Live on without Getting off your cloud

Sure I can leave a light on Leave a light on for you

Sure I can play a quiet song I could just hum Beat a soft drum Sure I can play a quiet song Play a quiet song for you

It takes you to make my heart sing To let air in And keep breathing It takes two to keep the vibe true I am waiting for you

It struck me again We both look the same But what you make Appears in all shapes

I should impress But nevertheless I cannot change Night into a day

So sure I can leave a light on Leave a light on for you
