

# Marc Anthony, Let Me Love You

I've got a feeling deep inside and this need I just can't hide  
Let me love you girl there's so much I want to share  
And I'll always be there when you want me to  
I'll be there for you  
Just call my name  
I promise I will treat you right  
Just call my name  
I will be there day and night  
Just call my name and I'll come running to you, oh girl  
Let me love you, let me satisfy your needs  
Let me love you 'cause you know I aim to please  
Let me love you and I'll never let go  
Let me love you I'll give you all my love and so much more, so much more  
When you touch me like you do you satisfy me through and through  
Let me love you girl you got me coming back for more  
Your love is what I'm living for  
All you've got to do let me be with you  
Just say you will open up and let me in  
Just say you will  
I'll be your lover and your friend  
Just say you will and I'll come runnin' to you, oh girl  
Let me love you, let me satisfy your needs  
Let me love you 'cause you know I aim to please  
Let me love you and I'll never let you go  
Let me love you I don't want you to say no  
Let me love you, let me satisfy your needs  
Let me love you 'cause you know I aim to please  
Let me love you and I'll never let you go  
Let me love you I don't want you to say no  
No greater love you will ever find just believe that I love you until the end of time my love  
Just say you will open up and let me in  
Just say you will I'll be your lover and your friend  
Just say you will and I'll come runnin' to you, oh girl  
Let me love you, let me satisfy your needs  
Let me love you 'cause you know I aim to please  
Let me love you and I'll never let you go  
Let me love you I don't want you to say no  
Let me love you, let me satisfy your needs  
Let me love you 'cause you know I aim to please  
Let me love you and I'll never let go  
Let me love you I'll give you all my love and so much more, so much more, so much more
