

Marc Bolan, By The Light Of A Magical Moon

I'm gonna dance with my princess
By the light of a magical moon
As I go along my way
I say hey-hey

I'm gonna talk with the elders
And tell all of our hearts
That is good I'll barefoot dance with my baby
By the light of a magical moon

When I slay the darkest day
Then we can play
'Till that deep and joyous day
We'll dance and pray.
