

# Marc Bolan, By The Light Of A Magical Moon

I'm gonna dance with my princess  
By the light of a magical moon  
As I go along my way  
I say hey-hey

I'm gonna talk with the elders  
And tell all of our hearts  
That is good I'll barefoot dance with my baby  
By the light of a magical moon

When I slay the darkest day  
Then we can play  
'Till that deep and joyous day  
We'll dance and pray.
