

# Marc Bolan, Cornflake Zoo

Friendly people all in white  
I like their cause, I like to fight  
Goin' down to where I came in  
Sou'-westers, fishin' boats, go for a swim  
Hey pretty baby gonna swim for you  
Save you from the white man too  
Friendly people all in red  
I like their cause, I like their heads  
I'm goin' down to where I stepped out  
Gonna sing, gonna dance, gonna jump and shout  
Hey pretty baby gonna swim for you  
Save you from the red man too

Friendly people all in pink  
I like their night, I like to drink  
Goin' down to where I stepped out  
I gonna swim, I'm gonna yell, scream and shout  
Hey pretty baby gonna swim for you  
Save you from the Cornflake Zoo
