Marc Bolan, Hang-Ups

Play in a loud cloud

When I'm down you bring me up, babe
When I'm up you bring me down
When I'm down you bring me up, babe
When I'm up you bring me down
I'm such a contradiction - I'm just hung-up

Get off my back and leave me
Oh shit, let's get it on
Get off my back and leave me
Oh shit, let's get it on
I'm such a contradiction - I'm just hung-up

I'm such a contradiction - I'm just hung-up
Everything is sweet babe
Then everything is the pits
Everything is sweet babe

Then everything is the pits
You love me then you leave me
How come you always pick the hits?
