

# Marc Bolan, Madman

When a man is a man, he's destructive  
When a man is a man, he's seductive  
When a woman is a sensitive thing  
When a woman is a woman, he's a madman  
Madman - Madman- Madman - Madman

When a man is a friend, he's a stranger  
When a man is a man, he's no angel  
When a woman is a sensitive thing  
When a woman is a woman, he's a madman

Madman - Madman - Madman - Madman
