Love you  
Oh girl I do  
Love you

Come the sun  
See it run  
Across the sky  
Cosmic eye  
Is for you  
And no one else

Love you  
Oh girl I do  
Love you

Come the sun  
See it run  
Across the sky  
See it cry  
For you  
And no one else

Tree wizard puretongue  
The digger of holes  
The swan king  
The Elf lord  
The eater of souls  
Lithon the black  
The rider of stars  
Tyrannosaurus Rex  
The eater of cars.
