

Marc Bolan, Suneye

Love you
Oh girl I do
Love you

Come the sun
See it run
Across the sky
Cosmic eye
Is for you
And no one else

Love you
Oh girl I do
Love you

Come the sun
See it run
Across the sky
See it cry
For you
And no one else

Tree wizard puretongue
The digger of holes
The swan king
The Elf lord
The eater of souls
Lithon the black
The rider of stars
Tyrannosaurus Rex
The eater of cars.
