

# Marc Bolan, The Third Degree

Everywhere I go people question me  
she read my head and I can see  
Philosophising mad psychiatrist  
closing of my mind in darkness  
Beware of the third degree  
Everywhere I go people follow me  
They look, they smile, they cannot see  
I am too much for them to take in  
they only say that I am faking  
Beware of the third degree  
Everywhere I go people always say  
It's sad to see him act this way  
Philosophising mad psychiatrist  
just closing of my mind in darkness  
Beware of the third degree, yeah  
Sanity baby is all I got  
I'm as sane as you believe it or not  
Philosophising mad psychiatrist  
just closing my mind in darkness  
Everywhere I go people laugh at me.
