

MARC COHN, Turn To Me

Fallen angel
Come to me
Give me something to believe
Before I turn on every vow
Turn to me if you still know how
Spent my share of restless days
Coal black suitcase
Fall from grace
All the while I was breaking down
Turn to me if you still know how
(Chorus)
I tried to tell you but I don't know how
Every smile's turned upside down
I'm a freakshow in a one joke town
So turn to me if you still know how
Change comes slowly it's just
a little hard to see
I know some of my demons
They're still haunting me
Wanting me
Fallen angel
Comfort me
Help me get back on my feet
'Cause I can't keep myself from falling down
I just can't keep myself from falling down
So turn to me if you still know how
Chorus
