

Marc Nelson, Love's Not Love

Yeah, uh uh, yeah
I want to be the first one to say,
That I really like you,
Feeling some attraction,
I want to see you looking my way,
All I want to do is hold you, because

Chorus

Love's not love until you're mine all mine,
Love's not love till I feel your touch,
I want to be close to you,
And I want you so much,
Love's not love until you're mine,
Love's not love until you're mine.
From the very moment we met,
I know I would never want to be away from you,
Baby after all that we said,
All I want to know is if you want me to.

Chorus

But love's not love until you're mine all mine,
Love's not love till I feel your touch,
I want to be close to you,
And I want you so much,
But love's not love until you're mine,
Love's not love until you're mine.

All the never is true,
Not ashamed to tell you,
That my heart is lying,
When you walk into the room,
All you leave beside me,
And wondering baby.

Chorus

Love's not love until you're mine all mine,
Love's not love till I feel your touch,
I want to be close to you,
And I want you so much,
Love's not love until you're mine,
Love's not love until you're mine.
Love's not love until you're mine,
Love's not love until you're mine (until fades)
