

Marcelina Kopyt, Nasty Girl (feat. Frenchy)

I feel like now my sexuality
Fits perfectly my personality
I can show you my best activity
With no dignity
How nasty can I be

I'll be your queen
Should I be?
I'll be your queen
If you're become a real man

I feel now
Who I really am
Show me your love
Do the best you can
The way that you touching me
You know just how I can be
I'm tellin' you., baby:
Lets make love tonight!

Tell me what you gonna do
When I'm with you
Tell me what you gonna do
To make me scream
Tell me what should I do
To satisfy you
I don't wanna let you down
You turn me on
Like no one before
I want you now
I've never been so close
Swiss me tight
Don't let me go
Give me satisfaction
And get me high

I feel now
Who I really am
Show me you love
Do the best you can
The way that you touching me
You know just how I can be
I'm tellin' you., baby:
Lets make love tonight!
