Marcia Griffiths, Electric Boogie

It's Electric!

You can't see it

You gotta feel it

Ooh, it's shakin'

[It's electric!]

[It's electric!]

[It's electric!] [Jiggle-a-mesa-cara She's a pumpin' like a matic She's a movin' like electric She sure got the boogie] You gotta know it [It's electric Boogie woogie, woogie!] Now you can't hold it [It's electric Boogie woogie, woogie!] But you know it there, Yeah here there everywhere I've got to move, I'm going on a party ride I've got to groove, groove, groove, And from this music I just can't hide. Are you comin' with me? Come let me take you on a party ride

And I'll teach you, teach you, teach you

I'll teach you the electric slide

Some say it's mystic [It's electric Boogie woogie, woogie] You can't resist it [It's electric Boogie woogie, woogie] You can'y do without it [It's electric Boogie woogie, woogie] Jiggle-a-mesa-cara she's a pumpin' like a matic She's movin' like electric She sure got the boogie Don't wanna lose it [It's electric Boogie woogie, woogie] But you can't choose it [It's electric Boogie woogie, woogie] But you know it's there, Yeah here there everywhere
